

UN Cafe Workshop

**Saturday,
16th December, 2023**

If you were to open a cafe at the UN, what kind of menu would you like to create? Why don't you become a delegation from a country or region and think about it in a Model UN format? We plan to form teams based on the language you would like to use, from Japanese, English, or a mix of Japanese and English. Why not open the door to the global world by creating a multi-cultural cafe menu together?
